It has come to the Court's attention that Class Plaintiffs' Motion for Leave to File a Second Consolidated Class Action Complaint in the above referenced actions was granted before the time to file oppositions had run. Since an opposition has been timely filed, it is hereby

**ORDERED** that the Court's June 26, 2000 Order granting Class' Plaintiffs Motion for Leave to File a Second Consolidated Class Action Complaint is withdrawn. It is further hereby

**ORDERED** that the Second Consolidated Class Action Complaint will remain part of the record until the Court reviews the defendants' oppositions and the class plaintiffs' reply. At that time, the Court will decide whether or not the Second Consolidated Class Action Complaint will become part of the permanent record or whether it will be stricken.
